Youth Achievement Award

DAHF Opens its Annual Search for an Exceptional Youth Whose Passion is Aviation

NEWARK – The Delaware Aviation Hall of Fame (DAHF) needs your help in our 2024 search to find and honor a deserving young person between 15 and 21 who loves aviation. Founded in 1999 to commemorate the First State’s aviation achievers, DAHF is accepting nominations through May 1st for this year’s Youth Achievement Award from schools, other organizations, and the general public. The award designee will be celebrated at the Honors Banquet at Executive Hall and Conference Center in October 2024, alongside this year’s Aviation Hall of Fame inductees.

Candidacy for this award is open to anyone who meets the criteria below and is actively pursuing an interest in aviation. Practically any aspect of aviation is acceptable—in the air or on the ground, civilian or military (e.g., pilot training, airframe & powerplant (A&P) certification, ROTC, ground service, operations management, aerospace engineering, etc.). If you know of someone who is worthy of recognition, please consider nominating him/her. Remember, nominations must be received by May 1st.

Selection criteria

1. Age between 15 and 21
2. Native or current resident of Delaware (Non-residents may qualify if they are currently enrolled in a formal Delaware aviation training program or are receiving training from a certified flight instructor in Delaware.)
3. Upstanding character (e.g., demonstrated achievement in his/her area of aviation; strong leadership qualities; documented community service; creative demonstration of aviation interests; active membership in aviation organizations, etc.)
4. Goal to pursue an aviation-related career

Please keep your nomination to two pages or less, single-spaced. Provide a strong description of how your nominee clearly meets criterion #3. You are welcome to attach copies (no originals please) of supporting documents (e.g., awards, citations, news articles, letters of recommendation, etc.).

Please send nominations by May 1, 2024 to the Delaware Aviation Hall of Fame through our web site (www.dahf.org/Youth-Award.html); by email to Ms. LeSans Alexander at l1atc719@gmail.com ; or by regular mail to PO Box 4303, Greenville, DE 19807.

For more information and a Nomination Form, visit www.dahf.org.
